ARAN RANGE Technical Specifications

The ARAN RANGE

The DOE approved Aran range combines exceptional panoramic product visibility, superior product facing combined with technical innovations like LED lighting, automatic defrost and dual refrigeration system with thermally sealed curved glass lids to reduce energy consumption and improve the customer experience. The design concept was simple - people buy what they see, so let's give the best possible visibility.

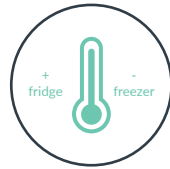

The unique curved glass front, the cornerstone of the Novum Aran range, offers an unequalled view into the cabinet leading to increased impulse sales.
